# nice nook!

Four cool looks to help your dining area turn a corner.

**a pattern-happy hangout** Unlike its cousin, the formal dining room, a banquette naturally feels more fun. Chicago designer Carly Moeller kicked it off with Schumacher wallpaper in a feathery green design and floral outdoor fabric by Richloom for the seat. With bistro chairs by Serena & Lily and a sleek pendant from Design Within Reach, she says, “it’s as appropriate for eating a meal with kids as it is for drinking cocktails with friends.”
